Action Taken Report 2023-24

1. The Annual Quality Assurance Report (AQAR) documents for 2023–2024 have been systematically arranged to ensure proper organization, easy accessibility, and compliance with documentation standards.
2. Inter-departmental seminars and group discussions have been organized, fostering academic collaboration and enhancing interdisciplinary learning among all departments.
3. A Campus Maintenance and Beautification Committee has been formed, and faculty members have been assigned responsibilities to oversee maintenance activities and implement beautification initiatives for a clean and green campus.
4. The IQAC committee has been renewed as per UGC NAAC guidelines to strengthen quality assurance mechanisms and enhance institutional performance.
5. Measures have been implemented to improve semester results, including enhanced teaching methodologies, academic support, and regular assessments to support faculty and students.
6. The repair and renovation of two science stream classrooms have been initiated to provide a better learning environment with improved infrastructure.
7. The AQAR for the session 2023–2024 has been reviewed and submitted as per the required guidelines.
8. The Memorandum of Understanding (MoU) and Gender Audit Report have been updated with necessary revisions, and feedback from stakeholders has been incorporated for finalization.
9. Best practices have been adopted across operational and strategic areas to enhance efficiency, promote transparency, and ensure compliance with industry standards, with continuous evaluation in place.
