### FOR 3RD CYCLE OF NAAC ACCREDITATION

2018 - 2023

#### Response:

The institution practices decentralization and participatory management leading to collective leadership and participatory governance.

A particular reflection of these practices can be observed through the following process:

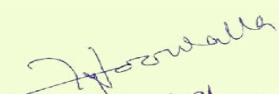

For the purpose of smooth running of student election a committee is formed, taking the members from teaching community and non-teaching community. As an example of reflection of decentralization of leadership in the year 2017, a committee was formed to conduct student election under Lachit Gogoi as Returning Officer. Along with him two other faculty members Bhaskar Buragohain and Rupeswar Sonowal are appointed as Assistant Returning Officer and Ratan Koiri (Head Assistant) from office staff appointed as Presiding cum counting Officer. Other members of the office staff are also engaged in the election process. College NCC Unit and NSS Unit helps in maintenance of discipline in conducting and completing the whole election process.

College has formed several committees for the management of the college, like campus management committee, purchase committee, library committee, canteen management committee, hostel committee, examination committees, RUSA committee, Admission committee, Anti Ragging Committee, Internal Complaints Committee, construction committee etc. These committees are composed of teaching and non teaching staff of the college and function under the leadership of the Principal of the college. Students are also member of few committees. Effective leadership and decentralize functioning is visible in the function of IQAC, where teachers, non teaching staff, students and alumni can contribute in quality governance system.

The dynamic leadership under the Principal cum Secretary of our institution made grand success in attaining the proper decentralization and participative management.

## *At a glance*

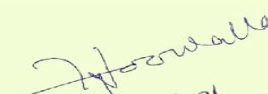

It was in the year 1966, Mariani College was established by the sincerest initiatives of a good number of benevolent public and academicians of greater Mariani region. It was a humble effort for imparting higher education in a large locality, flanked mostly by Tea Gardens and villages. Establishment of Mariani College is a very vital and important addition in the academic scenario of Mariani, specially imparting higher education. The Mariani College was brought under deficit system in 1975. The college took a giant step with a group of local enthusiastic people to introduce Science Stream in 1993. Now the college enjoys the distinction of having three full-fledged streams namely Arts, Commerce and Science with major in various subjects. The college has two campuses i.e. Old and New Campus. Science and Commerce streams are still running in old campus.

At present, Mariani College is a full-fledged Provincialised College and occupying a vital position under the Dibrugarh University almost in all spheres of academic performances as well as in the area of sports and culture. Many students of this college are now strewn over different parts of N.E. India, and abroad with commendable position.

The college is already visited by the NAAC team for Re-accreditation in the last quarter in the month of April, 2017. The NAAC awarded B<sup>+</sup> Grade accreditation with 2.53 institutional C.G.P.A.
