Since its inception, the Women Cell of Mariani College has been performing various functions related to students, society as well as cultural. The Women Cell of the College observes important days to make the students aware about the importance of that day. Like the previous years, this year also, Women Cell observed the 97<sup>th</sup> Birth Anniversary of the Legendary Dr. Bhupen Hazarika on 8<sup>th</sup> September, 2023. As is well-known, Dr. Bhupen Hazarika was not only a singer but a poet, music composer, actor, author as well as a reputed film-maker at the same time. He was a great asset not only for Assam but also for the entire country as well.

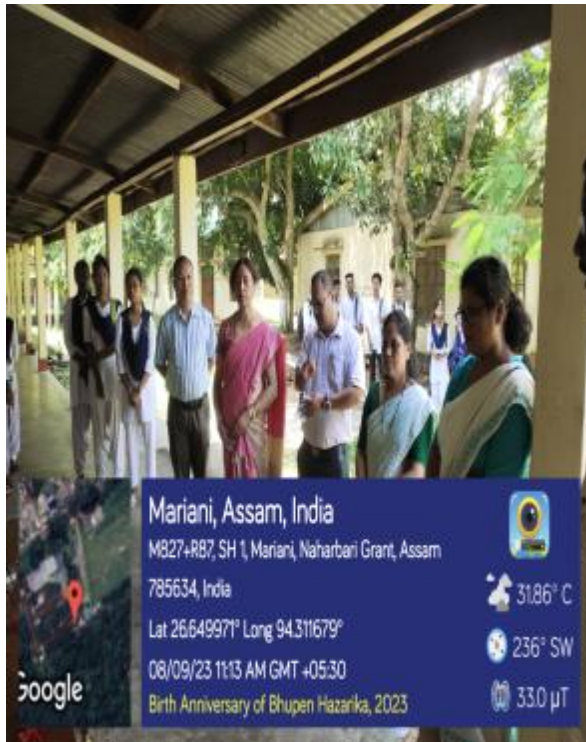

The programme began by paying tribute to the legendary singer Dr. Bhupen Hazarika by lightening lamps and incense sticks by the Principal of the College, senior teacher Mr. Dhruvajyoti Neog, followed by the teachers and the students.

After this, tribute was paid to Dr. Bhupen Hazarika through his songs and poems by the faculty members and students of the College. In the beginning, the Principal, Dr. Horen Goowalla, gave a speech on the great works of Dr. Hazarika. He mentioned how the songs of the Dr. Bhupen Hazarika on nature, society and various other aspects affect the life of the Assamese people. He also said that mere celebration of Birth and Death Anniversary of this great personality will not suffice, but measures should be taken to preserve the works of the Dr. Hazarika and also to create awareness among the students about the great works of Dr. Bhupen Hazarika.
