Department of English collaborated with the Department of History, Mariani college and observed World No Tobacco Day by organising a Poster making competition

ON SPOT POSTER MAKING COMPETITION

Every year, on 31 May, the World Health Organization (WHO) and global partners celebrate World No Tobacco Day (WNTD). The annual campaign is an opportunity to raise awareness on the harmful and deadly effects of tobacco use and second-hand smoke exposure, and to discourage the use of tobacco in any form.

The harmful impact of the tobacco industry on the environment is vast and growing adding unnecessary pressure to our planet's already scarce resources and fragile ecosystems.

Tobacco kills over 8 million people every year and destroys our environment, further harming human health, through the cultivation, production, distribution, consumption, and post-consumer waste.

As members of teaching and learning community it is our duty to raise awareness on this issue. With the poster making competition we hope to reach out to our students and expose them to the dangers of tobacco abuse.
