From The Principal's Desk

Dear Parents/Guardians and Students,

Greetings!

Mariani College extends a hearty welcome to all, inviting you to delve into the vast pool of knowledge we offer. Since its establishment in 1966, the college has upheld the motto: "knowledge is power", dedicating itself to higher education and fostering comprehensive societal development for over five decades. Our institution has made remarkable progress in both academic and extracurricular endeavors. We operate two academic campuses dedicated to Arts, Science, and Commerce, offering courses at Higher Secondary and Degree levels in these disciplines.

We are pleased to announce that the recent visit by the National Assessment and Accreditation Council (NAAC) has culminated in a successful accreditation of B+, recognizing our dedication to excellence in education and continual enhancement. The NEP 2020, with its interdisciplinary approach, seeks to establish the fundamental pillars of education: access, equity, quality, and accountability. Through collaborations with various institutions, we facilitate exchange programs in teaching and learning processes. Under the Unnat Bharat Abhiyan scheme, we have partnered with several villages, engaging with rural communities to identify development challenges and formulate sustainable solutions for accelerated growth. Each department within the college has embraced the responsibility of adopting a school, demonstrating our commitment to serving society beyond the confines of our campus.

Additionally, our students benefit from modern facilities including a digital library, state-of-the-art classrooms, computer labs, and a girls' hostel, all of which enhance their educational journey. The college also houses a study center affiliated with KKHSOU and offers a diverse range of add-on courses across departments.

Once again, we extend our heartfelt welcome and wish everyone a successful acad

[Dr. Horen Goowalla]
Principal, Mariani College

College at a Glance

Mariani College was established by a group of distinguished individuals of Mariani Town in the year 1966. The Arts and Commerce stream of the College were brought under deficit grant-in-aid by the Government of Assam in the year 1975 and provincialised on 1st December, 2005. The science stream, established in 1993, was provincialised later on 14th August, 2013.

Presently, Mariani College is a B+ accredited institution by NAAC with all the three streams (Arts, Science and Commerce) divided in two campuses (old and new) accommodating more than 2000 students.

Our Vision

- **The Vision of Mariani College is to create an institution which will provide a holistic educational experience for the students and inspire them to become valuable members of the society.**
- **Mariani being an important railway hub, surrounded by tea gardens, the population of this town consists of people from different communities and cultures. Therefore the institution strives to shape the students belonging to diverse communities into agents of social change.**

Our Mission

- **The institution is sincerely dedicated towards ensuring quality education to its students so that they are prepared to face challenges and find opportunities in the days to come.**
- **The institution is aware of the diverse background of its students from Mariani and nearby areas. Therefore it is our mission to adopt various teaching learning techniques catering to the necessities of the students.**
- **The institution also endeavours to enhance the intellectual and teaching abilities of the teachers to make them competent to extend their services to the institution as well as the society at large.**
- **The institution attempts to upgrade its pattern and structure in order to provide maximum benefits to the students and the society.**
- **The institution aspires to transform itself into a centre of excellence with this mission.**

Units And Cells

NCC & NSS :

The NCC is an organisation which provides a golden opportunity to students to develop leadership qualities, spirit de-corps and self confidence. The college provides the opportunity to join the NCC with a view to serve the society and the Nation as a whole. Similarly, the National Service Scheme (NSS) also provides opportunity to students to develop their personalities through community service. The students who have the commitment to serve the nation can join either NCC or NSS according to their interest.

IQAC (Internal Quality Assurance Cell)

IQAC of Mariani College persists with its efforts to create a learning environment that fosters all around development of the students . IQAC plays a crucial role in coordinating and connecting the various bodies in the institution relating to the teaching-learning process. The IQAC plans and supervises various activities and prorammes like workshops, seminars, conferences, academic meetings etc. to uplift the academic standards in the college. It ensures a better collaboration between the various departments of the college and minimises the communication gap with frequent evaluation and feedbacks from the stakeholders. The continuous assessment made by the IQAC creates an internalisation of quality education culture in the institution. The IQAC is currently led by Mr. Bonomali Bori as the Coordinator.

Units And Cells

Women Cell

Women Cell of Mariani College was established to generate gender sensitization within the campus as well in the society. It has been organizing various academic, technical, medical, cultural and social events for the upliftment of women and spread the real importance of gender equality amongst the students. The objective of this cell is to encourage female students to develop skills among the students by means of workshops and training programmes for their overall personality development as well as for the encouragement of self reliance and also to eliminate deep rooted beliefs of gender bias and discrimination. Presently Ms. Archana Saikia and Dr. Alimpiya Bordoloi are the current President and Secretary of the cell, respectively.

			<p>pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. There shall be more emphasis on community-based activities.</p>
		Digital and Technological Solutions/Digital Fluency	<p>Courses in cutting-edge areas that are fast gaining prominence such as Artificial Intelligence (AI), 3-D machining, big data analysis, and machine learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.</p>
		Understanding India	<p>The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, Indian education system and the roles and obligations of teachers to the nation in general and to the school/community/society, specifically.</p>
6	<p>Skill Enhancement courses: These courses are aimed at imparting practical skills, hands on training, soft skills etc. to enhance the employability of the students.</p>		<p>The institution may design courses as per the students' needs and available institutional resources subject to approval of the Dibrugarh University.</p>

7	Community engagement (NSS/Adult Education/Student mentoring/NGO/Govt. institutions, etc.):	The curricular component of ‘community engagement and service’ seeks to expose students to the socio-economic issues in society so that the theoretical learning can be supplemented by actual life experiences to generate solutions to real-life problems. This component will include participation in activities related to National Service Scheme (NSS), National Cadet Corps (NCC), adult education/literacy initiatives and mentoring school students and other community works
8	Field based learning/project	The field-based learning/project will attempt to provide opportunities for students to understand the different socio-economic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situation in rural and urban contexts, and to observe and study actual field situations regarding issues related to socio-economic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures, processes, and programmes that guide the development process.
9	Internship	: Students will be provided with opportunities for internships with local industry, businesses, artists, crafts persons, etc. so that they may actively engage with the practical side of their learning and, as a by-product, further improve their employability.

10	Research Project	All students pursuing a Four-Year Bachelor's Degree with Honours with Research will be required to take up research oriented advanced courses, research methodology courses and a research project.
