From The Principal's Desk

Dear Parents/Guardians and Students,

Greetings!

Mariani College welcomes you all to delve into the vibrant pool of knowledge. The college, since its inception in 1966, has followed the motto “knowledge is power”; thereby imparting higher education and creating the platform for all-round development of the society for more than five decades.

The college has remarkably developed in the fields of academic and co-curricular activities. Our college has two academic campuses for Arts, Science and Commerce. The college provides courses at Higher Secondary and Degree level in Arts, Science, and Commerce. With the implementation of the NEP, we are ready to embrace every opportunity that it provides. The National Education Policy 2020, with its interdisciplinary approach, aims to establish the four pillars of education: access, equity, quality and accountability.

The college has collaborated with various institutions to facilitate exchange programmes in teaching-learning processes. The college has also adopted various villages under the Unnat Bharat Abhiyan scheme to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. Each department of the college has adopted one school respectively to serve the society beyond the college boundaries.

The students of our college have access to modern facilities to assist their journey which includes digital library, smart classrooms, computer labs, girls’ hostel etc. Apart from these, the college also has a study centre of KKHSOU and a number of add-on courses offered by various departments.

I'd like to welcome everyone once more and wish you all a successful academic term.
